## Comments

Mankato Area Public School District uses course codes to define their classes at the High School level. Each course code can be divided into 5 parts - the department, the subject, the special field, the level and the sequence.

Special Field ( - is default):

A = Articulated

C = Concurrent

Levels:

100 = Standard

200 = Enriched

300 = Advanced Placement

400 = Foundations

Grades that are documented during the time period of March 16 through June 30 of 2020 reflect the distance learning period resulting from the COVID-19 pandemic. Future use of these grades should be used with caution and only after balancing the information against student performance in other grading periods.
